## Locum position required at Joburg Hand Therapy

Joburg Hand Therapy is looking for an Occupational Therapist Locum skilled in the field of hand therapy. Patients assessed and treated include individuals with hand and upper limb related conditions/injuries. Joburg Hand Therapy operates from four different locations. These locations include Rosebank, Linksfield, Milpark and Modderfontein (Johannesburg) and the applicant will be required to drive between the different locations.

A Degree in Occupational Therapy as well as two years post-graduate experience and further training in hand therapy (i.e. the diploma in hand therapy) is required. The applicant must be registered with HPCSA, OTASA, SASHT and have adequate malpractice insurance cover.

Duties and skills necessary include the following:

1. Assessment of the patient: including objective assessment, subjective assessment, reading of X-rays and communication with relevant health care providers.
2. Treatment of outpatients at the different locations with occasional inpatient rehabilitation.
3. Treatment modalities: splint and pressure garment fabrication, mobilisation, return to ADLs.
4. Communication between employers, surgeons, or other health care providers where necessary.
5. Administration related to the patient including treatment notes, reports etc.

The post will commence on the 01/07/2021. This post will be available for 5 months, with the possibility of extension thereafter. Remuneration will depend on level of experience.

Please send your CV and a short introductory letter to [admin@joburghandtherapy.co.za](mailto:admin@joburghandtherapy.co.za) by the 30/04/2021. Should you not hear from us by the 10/05/2021, please consider your application to be unsuccessful.
