

## OCCUPATIONAL THERAPY POST IN SPRINGS, GAUTENG

A 3-month Occupational Therapy contact available for an Occupational Therapist to cover maternity leave in a dynamic, growing multi-site private practice, with the possibility of developing into a more permanent role.

**This post is situated in Springs, Gauteng**, and the successful candidate must be willing to travel to different locations in Springs.

Post-description:

- Hand and upper limb rehabilitation – including the fabrication of splints and pressure garments.
- Neurological rehabilitation – both within the acute hospital setting, out-patient setting and home visits.
- Functional capacity evaluations and work evaluations

The service consists of inpatient acute intervention, out-patient rehabilitation, home visits and return to work facilitation.

The suitable candidate should be passionate about patient care, service excellence and ethical, evidence-based practice.

Excellent report writing skills, administrative management skills and time management skills are required, and the candidate should be able to work independently as minimal supervision will be available.

Pre-requisites:

- B.OT or B.Sc OT degree
- Registration with HPCSA and other relevant statutory bodies such as OTASA and MPS
- Special interest in hand therapy (Experience and/or additional training in hand therapy will be advantageous.)
- Driver's license and own vehicle

Start date: 1 November 2023

Salary dependent on qualifications and experience.

All interested parties to send their CV's to [isheppard.ot@gmail.com](mailto:isheppard.ot@gmail.com) or contact Inneke Sheppard on 082 774 4723.
